

## Old Scruffy Teddy

1

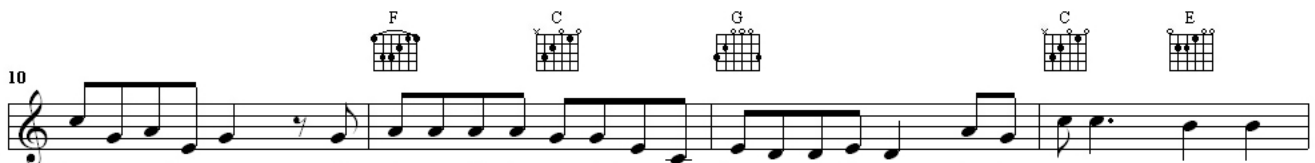

Here are a few of the toys that I like, I've got a bat and a ball and a nice red bike. This is a drum and it

6

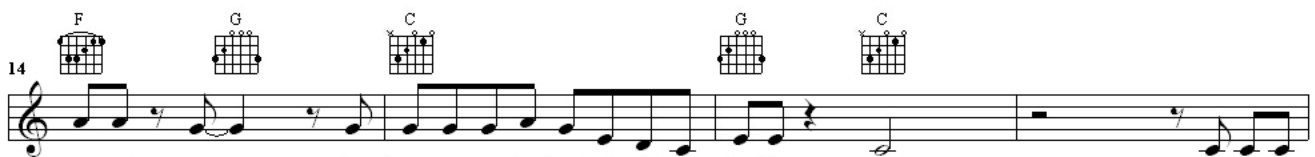

makes a loud sound, But who's this ly-ing on his back there on the ground? It's old scruf-fy Ted-dy. He's

10

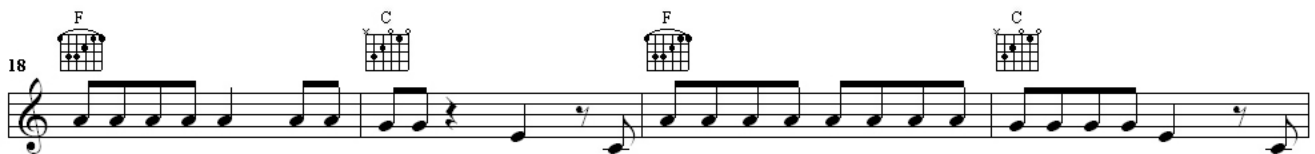

been a-round for years. His fur is thin, his leg is loose, he's lost one of his ears, But when oth-er toys may

14

come and go, He keeps on com-ing back, and I still love him so. I have an

18

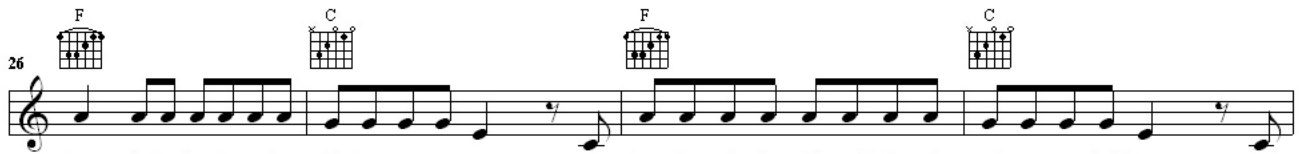

el-ec-tron-ic game, it's the la-test craze. I seem to be ad-dict-ed, I've been playing it for days, But

22

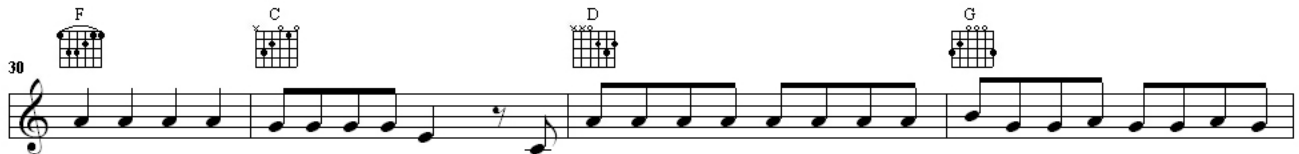

soon en-ough I know that it will be like all the rest, And Ted-dy will be wait-ing here be-cause he's still the best. He's

26

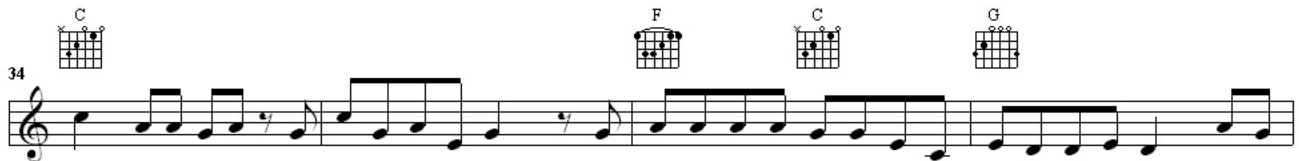

been in the fam-il-y for fif-ty se-ven years. He's been in all the chil-dren's beds and sent a-way their fears, And

30

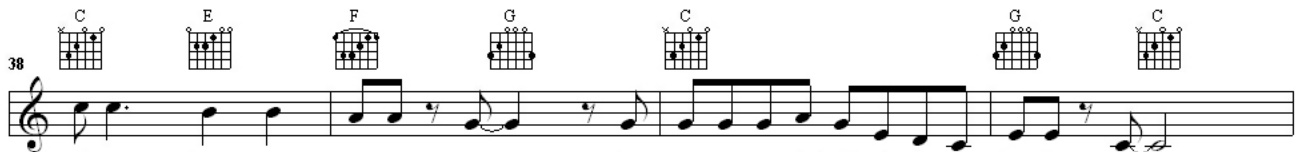

when I'm grown and I have chil-dren too, If they are fright-ened in the night, I know just what to do, I'll give them
