

## My favourite photo

Prepositions of place

If I'm not feeling happy  
My favourite photograph  
Of me and all my friends  
Will always make me laugh.

Janet's in the bin  
Jeff's under the bed  
Laila's next to him  
With an apple on her head.

Jo's in front of Jack  
And Nadima's behind him  
Nico's in the photo too  
But nobody can find him.

I'm on the table  
Tim is in a chair  
And sitting in between us  
Is a cat with purple hair.
