

We've got two legs

Have got

We've got two legs

Our legs have got two feet

Our feet have got ten toes

For walking in the street.

We've got two arms

Our arms have got two hands

Our hands have got ten fingers

But I don't understand.

Although a cat's got legs

Its legs have just got paws

It hasn't got twenty toes

It's got eighteen claws!

I love my cats

I love their fur and claws

They haven't got toes and fingers

But I really love their paws.
