

## Jack's I-spy

Jack and Jill went walking, chattering and talking up the hill, down the hill happily.  
They got to the top, decided to stop and Jack said, 'Jill what can you see?'  
'I-spy with my little eye something that sounds like.....'  
Look with your eyes and listen with your ears.  
How many phonemes can you hear?

Jack and Jill went walking, chattering and talking up the hill, down the hill happily.  
They got to the top, decided to stop and Jill said, Jack what can you see?'  
'I-spy with my little eye something that sounds like.....'  
Look with your eyes and listen with your ears.  
How many phonemes can you hear?

How many phonemes can you hear?

Jack and Jill went walking, chattering and talking up the hill, down the hill happily.  
They got to the top, decided to stop and Jill said, "Jack what can you see?"  
'I-spy with my little eye something that sounds like.....'  
Look with your eyes and listen with your ears.  
How many phonemes can you hear?

We've walked and we've roamed.  
It's time to go home, so wave goodbye to Jack's I-spy!
